Volleyball Attendance Exam

Once you start the exam, you will have 120 minutes to complete. The time will be shown on screen. You will not be able to stop, save, and come back to finish so please make sure you have enough time to finish the test in 120 minutes.

If you finish the exam before the 120 minutes is complete, you will be able to go back and review your answers prior to submitting the exam. Once you submit your exam, your results are final.

If you do not finish in 120 minutes, your score will be based upon the number of questions correct in that time frame.

80% is a passing score.

Your profile will automatically give you credit for one chapter meeting when you have successfully taken the examination and scored above 80%. It will be listed on your profile which you should double check to ensure proper meeting credit was given.

NOTE: Do not use the browser refresh or back buttons, or close your browser during the test. Doing so may register a failing score.
